Colonel Slemp Was Aggressive.

(Succial to the Daity Press.) WASHINGTON, D. C. March 19,-Representative Slemp aggressively contiqued his fight in behalf of L P Summers for collector of internal revenue of the First istrict in place of Park Agnew. He has been to the White House and treasury department within the last few days and always went after the scalp of the Alexandria man

He forced the issue so far that if he had failed, his prestige would have been somewhat damaged. He has for the present abandoned any attempt to have Thomas Lee Moore, United States attorney of the Eastern district, forced out of office so as to give that place to Summers. He has found that Rear Admiral Robley D. Evans. United States navy, has interceded at the White House and may stand in the

Besides this Moore will not have 1906. Some good patronage is wanted long before that time and as Park Agnew has had eight years he must give way. Agnew did not lie down by mry means, and he is said to have had some strong backing

"None of us has a thing against Park Agnew." said Colonel Stemp teday, "He is a fine fellow and everyledy known it, but he has had eight years in office and the western part of the State has and have dure more for the party than there is also sition to give us credit for. Preparations for an active building season are reflected in the markets for material, and the iron and steel and allied industries report keen demand and unprecedented consumption for this season, the only complaint being that supplies of crude and finished products are not up to consumer's needs.

Retail trade shows little expansion as yet and the late Easter season favors some continued quietness, but no complaint comes from this source except in the metropolis, where the transportation strike affects sales.

Some years ago while at work, I fell over a truck and severely injured both of my shins. My blood became poisoned as a result, and the doctor told me I would have running sores for life, and that if they were healed up the result would be fatal. Under this discouraging report I left off their treatment and resorted to the use of S. S. Its effects were prompt and gratifying. It took only a short while for the medicine to entirely cure up the sores, and I am not dead as the doctors intimated, nor have the sores ever broke out again. Some 12 years have elapsed since what I have described occurred. Having been so signally henefitted by its use I can heartily recommend it as the one great blood purifier.

Chronic sores start often from a pimple, scratch, bruise or boil, and while salves, washes and powders are beneficial, the unhealthy matter in the blood must be driven out or the sore will continue to eat and spread. S. S. S. reaches these old sores through the blood, removes all impurities and poisons, builds up the entire system and strengthens the circulation. S. S. S. is a blood purifier and tonic combined. DISCRIMINATING LADIES.

Enjoy Using Herpicide on Account of its Distinctiveness.

The ladies who have used Newbro's Herpicide speak of it in the highest terms, for its quick effect in cleansing the scalp of dandruff and also for its excellence as a general hair-dressing. It makes the scalp feel fresh and it allays that itching which dandruff will cause. Newbro's Herpicide effectively cures dandruff, as it destroys the germ that causes it. The same germ causes hair to fall out, and later haldness; in killing it, Herpicide stops falling hair and prevents baldness. It is also an ideal hair dressing, for it lends an aristocratic charm to the hair that is quite distinctive. Sold by leading druggists.
